RAINBOWS END EMMAUS COMMUNITY NEWSLETTER

2010 THIRD QTR

Our Mission: To provide a spiritual renewal program intended to strengthen the local church through the development of Christian disciples and leaders.

From your Community Lay Director - Rudy Franco

Glory to God in the Highest – He doesn't call the qualified but qualifies the called. As your new Community Lay Director, I feel inadequate but also feel blessed in being able to serve our Lord as He sees fit. To Him be all the honor and glory. As your servant, I look forward to getting to know each and every one of you while seeking your God-given wisdom to help grow this community to be the best community ever. Welcome to all the new board members – thank you for being obedient to God's calling.

July has already started looking like a very promising month in that there will be a new batch of 'babe chicks' from the Women's Walk and the two Chrysalis flights.

*De Colores,
Rudy Franco*

A Note from our new Spiritual Director – Jim Longstreet

It has been my joy to serve on dozens of walks since 1977 when I first became part of this great movement of God. I believe that Walk to Emmaus is the very best of what a para-church ministry can be because people come out of the experience touched and energized by God's Spirit and ready to return to their home church with a greater commitment to grow their relationship with Christ, to live their faith, to serve people in inviting ways, and to glorify God. I hope to serve this community in such a way that many more people in Odessa receive God's invitation to "come further up and further in" (C.S. Lewis, *The Last Battle*) regarding His kingdom. Thank you for this opportunity to serve with you.

In addition we have a waiting list! Praise God!***

Letter from Women's Walk Lay Director

I have been so very blessed, I feel God has put the best spirit filled team together, I have a wonderful spiritual team with Terry Pierce as our SD and Sherry Hurt as our Music Leader and I could go on and on about my team, but I don't have enough paper. I know the team and the pilgrims will want for nothing, I have got the best outside team with my precious Husband Jay Lindsey as our outside coordinator, I could not have prepared for this walk without him by my side, he has been my mentor. Pam Smith is our Food Chair and Sharon Spears is our Agape Chair, and Pat Barrow and Carl White are our Chapel Chairs, and Tony Patton is Jay's Assistant and Sound Coordinator. Thank you Outside Team and all the ones working on the outside team; God Bless all of you. Below is a list of Team Members and Pilgrims please keep all of us in your prayers. My prayer is that God be in control and not let man enter in. This is God's Walk. If any of the community would like, please come over and pray also remember **Candlelight is Saturday June 26 at 8:30 P.M.** See you there, Marcia Lindsay
We have 42 Pilgrims, Praise God!

Our young people are the future of our country, churches and **our Community**. It is very important to support and encourage them in the Word.

Proverbs 17:6 states "Children's children are a crown to the aged and parents are the pride of their children".

Proverbs 22:6 says "Train a child in the way he should go, and when he is old he will not turn from it."
